### Make-Up Policy

As stated in our policies, we provide **one make-up** per Fall semester, and **one** per Spring Semester. Summer group classes (7 total classes) can be rescheduled with 24-hour advance notice into a class with openings.

Due to the high volume of attendance in Group piano Classes, and to accommodate our students' needs, we offer make up opportunities on specific dates.

Please note that there is a maximum of 8 spots per make-up class and that all scheduling will be handled through the Office on a first come first served basis. Also note that there are no refunds or credit for any missed classes.

Below are the scheduled make-up days for the 2020-2021 school year:

<b>Fall</b>	<b>Spring</b>
September 26, 2020	February 6, 2021
October 3, 2020	March 6, 2021
November 7, 2020	April 3, 2021
December 5, 2020	May 1, 2021

### Supplies For Home & Class

Without practice it is impossible for a student to improve; therefore, students need a **full-size** piano (or keyboard with weighted keys) at home for daily practice. They will also need **headphones, pencils, crayons, or other supplies requested by the teacher for school use** (as a health and safety issue, students will not share headphones). As a courtesy, we provide students with Lesson and Theory books at cost; if you prefer to purchase these books on your own, please inform the teacher or the Office.

Musicianship Classes must receive sufficient enrollment for continued scheduling.											

**Musicianship classes are a unique feature at Coppell Conservatory.** In Musicianship, the students concentrate on music theory, ear-training, music history, and aspects of music appreciation that they normally would not be able to cover in their private lesson. This not only gives them a comprehensive music education, but also allows them to make more rapid strides in their private lesson in Technique and Artistry. In addition, the Musicianship class serves as a venue for Performance practice and experience that give the students confidence, teaches them how to perform before an audience, and exposes them to repertoire they may wish to play.

**Musicianship** (for Piano) also includes four (4) Performance Classes from September to May. Attendance of Performance Classes are mandatory for students who would like to be invited to the **Honors Recitals**. Students who attend Musicianship classes will have Performance during their regularly scheduled Musicianship time. Basic Private students (students who do not take Musicianship) need to sign up for one of the scheduled Performance class times; Signs ups will be emailed through Sign Up Genius.

Additionally, students enrolled in Musicianship classes are eligible to participate in CMTA activities and take the TMTA State Theory Test.
