### Make-Up Policy

As stated in our policies, lessons may be conducted virtually at your assigned lesson time rather than in person if a student is feeling under the weather, has transportation issues, or there are weather related travel concerns. Students needing to attend a virtual lesson should contact the **FRONT OFFICE** prior to obtain the Zoom information. All other lessons will be forfeited if the student cannot attend in person or virtually during their assigned lesson time.

### Supplies For Home & Class

Without practice it is impossible for a student to improve; therefore, students need a **full-size** piano (or keyboard with weighted keys) at home for daily practice. They will also need:

- **Headphones** (as a health and safety issue, students will not share headphones)
- **Pencils**
- **Crayons**
- **Other supplies requested by the teacher for school.**

As a courtesy, we provide students with Lesson and Theory books at cost; if you prefer to purchase these books on your own, please inform the teacher or the Office.

**Musicianship classes are a unique feature at Coppell Conservatory.** In Musicianship, the students concentrate on music theory, ear-training, music history, and aspects of music appreciation that they normally would not be able to cover in their private lesson. This not only gives them a comprehensive music education, but also allows them to make more rapid strides in their private lesson in Technique and Artistry. In addition, the Musicianship class serves as a venue for Performance practice and experience that give the student's confidence, teaches them how to perform before an audience, and exposes them to repertoire they may wish to play.

**Musicianship** (for Piano) also includes four (4) Performance Classes from September to May. Attendance of Performance Classes are mandatory for students who would like to be invited to the **Honors Recitals**. Students who attend Musicianship classes will have Performance during their regularly scheduled Musicianship time. Basic Private student's (students who do not take Musicianship) need to sign up for one of the scheduled Performance class times; Signs ups will be emailed through Sign Up Genius.

Additionally, students enrolled in Musicianship classes are eligible to participate in CMTA activities and take the TMTA State Theory Test.
