

## September 2019 Newsletter

Dear Parents and Students,

We hope everyone has had a wonderful start to the 2019-2020 school year! We really enjoy hearing about the first days of school from our students when they come for lessons!

I want to remind all of our families as we head into September that many events, activities and performance opportunities will be coming up in the next few weeks and months. September begins our first performance classes, October brings our first piano contest and festival and we will be working towards Strings Festival later in the semester as well. Please know that your student's teacher and/or the office will be emailing you important questions or information regarding these events and we will want to make sure we have a good email address on file to contact you! Sometimes these emails require a specific and timely response from you and we want to make sure we have all the information we need to properly register your student. **If you have changed your email, check a different email more frequently or prefer another family member to be the point of contact, please let us know immediately.**

Also, as an additional reminder, any additional fees for books, festival registrations, etc. will be posted to your MindBody account on the 20th of the month. Tuition will remain the same for the entire 2019-2020 school year, so you can also view your tuition billing options in this account as well to total your monthly invoice. If you haven't set up your login, please do so! On this site you can also view your students schedule! To login to view billing, schedules and tuition options, please go to:

We are really looking forward to a wonderful year together and can't wait to hear our students progress throughout the year.

Best Regards,  
Liana Bramlett, Director
